

Announcement, November 2006

The friendliest wave of the world invites you to ride!

Records show that on December and January waves increase in Jeri, making it the best time for wave riding. Soft waves average between 1 to 1,5 meter, sometimes getting 2 m, satiating either intermediate and advanced sailors.

friendly wave.: big enough to ride but not that big to harm you

"If you have never wave sailed before,
this is your chance to try it."
