# Mr. Kahawa

## BREAKFAST, BAR & RESTAURANT

Centred on Paje Beach, Mr. Kahawa Café & Restaurant is located on an unbeatable location. Sit back underneath the almond tree, gaze to the Indian Ocean and breathe in the calming vibe of – or what seems to be – your ultimate break.

### Fusion food

We stand for nourishing food which is prepared with care and attention. Our kitchen is known for its' (oftentimes) wholesome and colourful food, organic and locally sourced where possible. The chefs' inspiration is endless, resulting in unique, healthy and flavourful dishes.

### Award winning coffee & divine homemade drinks

Kahawa means coffee in Swahili, and coffee is where it all began. Mr. Kahawa started off as a small coffeshop in 2015. We use pure Arabica coffee from the Utengule farm, made of grade "A" beans. Utengule coffee displays a full body ("coffee-ness"), fine citric acidity and undertones of blackberry. These characteristics are associated with high-grown coffee from the region and are desirable for gourmet type coffee. Not in the mood for coffee? We have a variety of organic, Tanzanian teas and homemade refreshments. Our unique recipes only consist from the freshest ingredients and the creativity and love of our bartenders.

### Shop

Mr. Kahawa likes to support local artisans, farmers and people in general. Check out our shop in the restaurant and buy some beautiful kikois, Swahili honey, local seasonings, artists' books, postcards, and more!

## KITE CENTRE

Enjoy the best kitesurfing spot on Zanzibar at Zanzibar's first kiteschool! Get the best service, the safest and newest equipment and the most professional instructors.

Since 2006 we discovered the best conditions for kitesurfing are on Paje Beach, where we started the first kite school. Driven by a deep passion for kitesurfing we went on and perfected this spot for everyone. So you can enjoy kitesurfing at one of the most beautiful places in the world. Whether you are a beginner, advanced or even expert kitesurfer.

At Kite Centre Zanzibar you can lay back or share all the excitement of the day with each other in our chill out area with hammocks, laid-back chairs and pillows.

Paje Beach is THE ideal location and epic flatwater spot for kitesurfing on Zanzibar. As early explorers of the island we were motivated by a desire to make kitesurfing accessible for both beginners and experienced kitesurfers alike. So we went on to start the first Kite Centre on the island in 2006. Shallow blue waters, white sandy bottoms and constant winds await your arrival.
